

QUALITY POLICY IN HALAL CERTIFICATION ASSESSMENT ACTIVITIES

1. Absolute adherence to and protection of the faith and beliefs of Muslims.
2. Strict compliance with Halal requirements according to the Holy Qur'an, Shariah law and Fatwa.
3. Commit to establishing the most feasible policies and conditions, and consistently adhering to and maintaining them to ensure accuracy, integrity, reliability, independence, objectivity, fairness, and impartiality in Halal certification activities.
4. Establish and operate the Halal certification assessment process according to strict standards to protect consumers in general and safeguard Muslims regarding certified Halal products/services.
5. Continuously train and disseminate knowledge and experience to develop staff competence, periodically evaluate and monitor competencies to enhance the professionalism, expertise, and skills of experts and personnel.
